Project Mint Developments
200 - 75 West Broadway
Vancouver BC V5Y 1P1

I would like to congratulate Project Mint Developments for winning the 2018 Greater Vancouver Home Builders' Association (GVHBA) Ovation Award for Best Townhouse/Rowhome Development (In-Fill) (with Nick Bray Architecture Ltd), BC Housing Aware for Excellence in Innovative Housing choice (with Nick Bray Architecture Ltd).

Recognition through this Ovation Award reflects your company's understanding of the changing nature of the industry and demonstrates the highest level of excellence and influence. On behalf of the Province of British Columbia, thank you for your high calibre commitment to your industry. I appreciate that your company, and your fellow nominees demonstrate the highest level of work in the construction industry, and that your work contributes to help create safe and sustainable communities for BC families and residents.

I also recognize that as North America's second largest Home Builder Association, GVHBA represents an important economic driver in Metro Vancouver. The work of its members helps maintain a strong, sustainable and innovative economy for British Columbians.

High-quality construction by innovative leaders is an important factor in addressing the needs for housing throughout British Columbia. The exemplary work of this year's winners and finalists is noteworthy and admirable.

Again, congratulations on this prestigious award.

Sincerely,
